

WHY SHOULD YOU BECOME A YLC BUILDER?

June 14 - August 6, 2021

(includes training and post-camp wrap up)

1

LEADERSHIP SKILLS

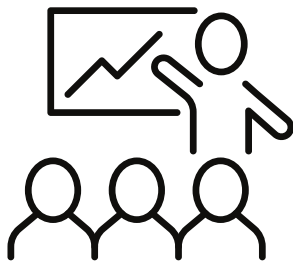

You will be supervising high school students as well as taking the lead on decision-making, behavior management, and more! Not only will you utilize your leadership skills on the job, you will also learn to navigate who you are as a leader.

2

TRAINING & CERTIFICATIONS

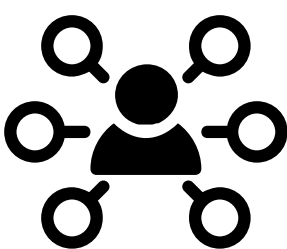

By working at YLC, you will have training on different topics and keep certifications you will get (CPR & First Aid and Food Handler).

3

PROFESSIONAL DEVELOPMENT

What you do and what you'll learn on the job will apply to your career choices in the future! With your builder experience, you could teach classes, host events, coordinate activities, and more!

4

NETWORKING OPPORTUNITIES

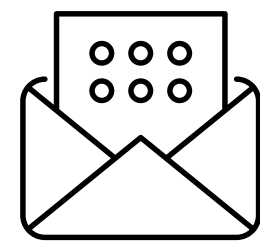

You'll develop network with other staff members, guest presenters, and camp alumni for possible internships and future job opportunities.

5

AFFINITY FOR NATURE

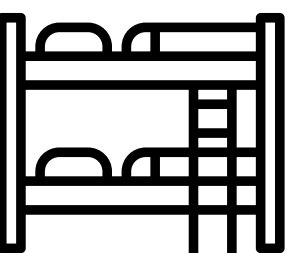

What better way to become comfortable with the outdoors? S'mores, campfires, and camp spirit!

6

INTERNSHIP & LETTER OF RECOMMENDATIONS

Need an internship or a co-op? We can work with you to make sure this job is considered an internship for your college credit. We also write great letters of recommendations for you to use for other job opportunities.

7

FREE ROOM & BOARD

Once you arrive to the campgrounds, lodging and meals are taken care of. This also includes laundry and utilities.

8

PAYCHECK!

On top of all the perks, you also get paid! Each position's base pay varies with duties and experience. For Summer 2021, the base pay will be \$2,000.
